

## HOPE FOR MY FUTURE

For the week of September 27, 2020

1 Peter 2:1-12

## BIG IDEA

Our future HOPE in Christ gives us the ability to live on mission today and forevermore.

## GET GOING

- What excites you about the future?
- What part of the message was most impactful to you? Explain.
- How could our church wide 'Make the Most' initiative prepare us for the future?
- What have you found most difficult to do during the pandemic?
  - Grow Up! Your Past is Behind You
  - Link Up! Your Future is Before You
  - Speak Up! Your Time has Come
  - Keep Up! You've Already Begun

## KEEP GROWING

- Peter understood this progression as well as anybody. He was the disciple upon whom the church would be built (Matthew 16:18), but also the one who would go on to deny Jesus in his hour of greatest need (Matthew 26:69-75). Fortunately for Peter, his story is one of restoration.
- Turn to John 21:15-19
- What does this passage reveal about Peter's future?
- Where do you see Peter living this out later in Scripture? (Hint: Turn to Acts 2)
- What was the impact of this event?
- How are we called to 'feed the sheep' around us?
- What specific person in your life is God calling you to 'Speak Up' to?

- What practical steps can you take to grow into the believer that God has called you to be?

## **WEEKLY CHALLENGE**

- Confess an area where you did not “Make the Most” over these difficult months.
- Commit to praying for the person you need to Speak Up to.
- Read Colossians 3:1-17

## **MEMORY VERSE**
