### Share: Get Talking

- Is there a time in your life when you've most known the mission you were on and how you could accomplish it?
- What is one thing from the message that stood out to you the most?

### Study: Go Deeper

- Read 2 Timothy 2:1-2. Where's the intentionality in these verses?
- Read 1 Thess 2:5-8. Underline the adjectives that describe the relational nature of the Christian Mission. What do you notice?
- Read 1 Corinthians 3:10-15. Name as many eternal missions a person can have today. How is the Christian Mission eternal?
- Read Matthew 16:18-19. How should believing the truth of this verse change your life? Has it?
- On a scale of 1-10, how focused are you on the Mission Christ has given us? What needs to change this week?

### Support: Grow Together

- How will you apply this passage to your life this week?
- What are your personal prayer requests?
