

HIGHPOINT KIDS

# HOORAY Day

## GOD VALUES YOU

September 29, 2024 // Matthew 19:13-15; Mark 10:13-16

### What I Learned

- In our Bible story, Jesus invited the children to come to Him because He valued and treasured them.
- We are so important that God sent Jesus to earth so we can have a friendship with Him. God values you!
- Even though we are all different, God thinks each of us is very special and important. We are His favorites.

### Get Talking

- We can know that God knows our real fears and offers us peace and comfort. He is always with us!
- Take **1 day** this week to ask these **2 questions** and spend **3 minutes** talking about them:
  - Do you think kids your age struggle to feel like they really matter?
  - How does God feel about kids—including you?

## Go Deeper

**Read Matthew 19:13-15; Mark 10:13-16.** The Bible tells us that we are known and valued by God. Jesus cares for and values everyone, and He loved us so much that He made a way for us to have a relationship with God.

- How can water help you remember that God values you?
- What did Jesus tell the disciples in these verses? Why is that good news for us?

## Now What?

**Talk to God:** God showed us just how much He values and cares for us by sending Jesus to change the game for us forever. Talk to God and thank Him for loving us and for sending us Jesus!

- *God, we love You, and we thank You that You know and value us. Thank You for sending Your Son, Jesus, to change the game. Thank You for making a way for us to live with You now and forever. Thank You for caring about and valuing us. In Jesus' name we pray, amen*

## Memory Verse

### **Romans 6:23**

Our 5th Sunday Theme verse shows us just how much God values us! This verse starts out with some pretty bad news—“*the wages (or cost) of sin is death.*” But because of how Jesus changed the game for us, the gift of God is life with Him forever! Jesus died and came back to life so that we could spend forever with Him! That’s **good news!** Hooray!
