

GOD KNOWS EVERY SITUATION

September 28, 2025 // Nehemiah 1-6

What I Learned

- This Sunday, we learned about a man named Nehemiah who led God's people to rebuild the walls of their city of Jerusalem in **Nehemiah 1-6**.
- They faced a lot of opposition, but God showed them He knew their situation and would continue to lead and guide them.
- We have a better understanding that when we are worried about our circumstances and situations, we can ask God for help and know He provides us with everything we need to make it through hard times.

Get Talking

Read **Nehemiah 1-3** and highlight **Nehemiah 2:19-20** as a family.

- This week, take **1 day** to ask these **2 questions** and spend **3 minutes** talking about them:
 - What do you worry about the most?
 - How can you give that worry to God and trust in Him?
- As a family, use lego blocks to make a wall, like the one from the Bible story. For each "*brick*," share something amazing about God that will encourage you when you face difficult situations.

September Verse

"man looks on the outward appearance, but the Lord looks on the heart." **1 Samuel 16:7b**

- We can remember through this verse that God cares more about who we are on the inside than how we look on the outside. Be someone who loves God and others!
