### Share: Get Talking

In one minute tell us about your house growing up. What made that house a home for your family? How does your current home differ?

### Study: Go Deeper

What stood out to you from the message on Sunday?

**Read Matthew 7:24.** Why do you think that Jesus highlights the importance of doing God's Word rather than just hearing? How does this gap get created and how does it continue to grow? What are some practical ways to grow our foundation as Christians?

**Read Matthew 7:25.** How do the 'rains, floods, and winds' benefit the house? How do the trials and difficulties of life benefit your faith? How have you seen this in your own life? How does a rock solid foundation help defend against the storm?

**Read Matthew 7:26-27.** How would you contrast wisdom and foolishness? Why is foolishness so detrimental to our faith? In what ways do you try to build on the wrong foundation? Why is grace so important in this discussion? How have you seen the Gospel transform your foolishness?

## Support: Grow Together

In light of this study, what is one area of life where you need to recalibrate your faith?

Where have you been struggling to do God's Word? How can we help you in this?

Over the course of this summer as we seek to grow in wisdom, where specifically would you like to grow? Why?

How can we support and pray for you this week?

## Renew Your Mind: Memory Verse

*"Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock." - Matthew 7:24*
