In 90 seconds, share 1 thing you've been learning in your personal reading and study of Proverbs. Which chapter has been most impactful so far? Explain?

Study: Go Deeper

Read Proverbs 6:16-19. How do you process that God is described as hating certain things? Does that take away from His love? Explain.

Read Psalm 10:4. Why would God hate a haughty or prideful heart? What effect will pride eventually have on a person's heart if they don't repent? Why would that bother God? Think about the last lie you told? What was the situation? What was going through your mind when you lied? What ultimately motivated your dishonesty? How do you think God viewed your dishonesty?

Read Psalm 51:10. When the Bible talks about a person's "heart", it's talking about the decision-making process that guides how someone lives their lives. Has God changed your heart? How have you experienced that? How has that change affected decisions that you make today?

Support: Grow Together

Which of the sins on the "Holy Hates" list would you say you also hate? Which would you say you're still tempted by? Which have had the most impact on your life?

Read 1 John 1:9. If we struggle with sins that God hates, what should we do? What does 1 John 1:9 promise God will do? How does that eliminate any shame a Christian should feel about our sin?

How can we support and pray for you this week?
